- Immediate return to "normal" classroom teaching: classroom education instead of home-schooling **- no more separation** of classes
- **No mandatory facemasks** in any part of the school (including playground, corridors, classrooms etc.)
- **No "social distancing" rules**
- **No more stigmatizing** of children and/or their parents who are critical of Corona policies and disciplinary measures for the staff in reply to such criticism
- A **press conference** at short notice
